

MISSION

We believe that no-one should be denied the opportunity of secure employment because of where they live or the circumstances into which they are born. To move people out of poverty, everyone must have access to the opportunity of sustainable employment.

PURPOSE

We transform people's lives by securing long-term employment for the most disadvantaged.

HOW

We bring together individuals, partnerships and communities in a movement that transforms lives in Australia's most disadvantaged communities through widespread access to sustainable employment.
