# RECOGNISING ABILITY. LET US HELP YOU BECOME AN EMPLOYER OF CHOICE.

---

CAMPBELL PAGE IS A NOT-FOR-PROFIT ORGANISATION. OUR VISION IS THAT NO ONE SHOULD BE DENIED THE OPPORTUNITY OF SECURE EMPLOYMENT, WHICH IS WHY WE PARTNER WITH EMPLOYERS TO HELP MAKE A DIFFERENCE.

## Did you know that 1 in 5\* Australians may have some form of disability?

At Campbell Page our goal is to start the conversation and change the way we all think about inclusion in the workplace. We believe that all people with a disability have the potential to be meaningful contributors to their employers and through employment be included in all aspects of the community. That's why we work with employers to champion diversity in the workplace, which in turn can help their businesses thrive.

## CLOSING THE GAP

---

Diversity is key to any successful workplace. Working with people who have a disability or are from a diverse background can enhance productivity and morale within your team. In addition to championing the skills of people with a disability, we are strong advocates for hiring employees with Aboriginal and Torres Strait Islander backgrounds. Together we can help you build a successful workplace while making a difference towards closing the gap.
